**MATE ROV COMPETITION 2024 WORLD CHAMPIONSHIP**

**Date:** June 20 - 22, 2024

**Location:** Kingsport Aquatic Center, Kingsport, TN

**Description:** The MATE ROV Competition World Championship is a cutting-edge event that brings together students, educators, and industry professionals from around the globe. This competition serves as a platform for showcasing the talent and innovation of aspiring engineers, scientists, and technology enthusiasts who have dedicated their efforts to the field of underwater robotics.

From expanding the Global Ocean Observing System to protecting and restoring ecosystems and biodiversity and unlocking ocean-based solutions to climate change, the 2024 competition mission tasks focus on SOLUTIONS that include ocean observing assets for data collection, reimagining the utility of telecommunications cables, administering probiotics for diseased coral, identifying healthy habitats for lake sturgeon, and deploying GO-BGC flats to monitor ocean health.
